1.7. TECHNICAL CONTACT – a person responsible for the technical operation of the domain names servers.

1.8. FINANCIAL CONTACT – a person authorized to effect financial operations related to DOMAIN NAME registration.

1.9. REGISTRAR – a trader mediating between the REGISTRANT and REGISTRY in implementing activities related to DOMAIN NAME registration.

2. INTRODUCTION

2.1. REGISTRY's functions and obligations

REGISTRY's main functions and obligations are:

- To compile rules for registration of DOMAIN NAMES in accordance with specific recommendations and corresponding to specific regional particularities;
- To register DOMAIN NAMES of REGISTRANTS meeting the rules;
- To secure support of registered DOMAIN NAMES for a specific term.

The REGISTRY deals only with DOMAIN NAMES registration within AVAILABLE ZONES. The registration of names from the next level shall be responsibility of the administrative contacts for the respective DOMAIN.

2.2. REGISTRY – REGISTRAR - REGISTRANT

It is a custom to use mediators - REGISTRARS in the process of serving REGISTRANTS. The REGISTRARS participate in the communication process between the client and the REGISTRY during the registration process. The REGISTRARS are held responsible for the financial services provided to REGISTRANTS.

The REGISTRY performs the technical activities related to DOMAIN NAMES registration and support.

The REGISTRY shall support own REGISTRAR's function on the Internet address <https://www.register.bg/>.

2.3. PRINCIPLES OF REGISTRATION

2.3.1. The REGISTRY has developed conditions and procedures for registration described in the document, based on the Internet standards, discussions with Internet service providers and experts in Bulgaria and abroad, as well as based on gained experience.

The conditions and procedures described herein serve as point of reference for the REGISTRANTS, Internet Service Providers (ISP), REGISTRY and REGISTRARS' staff so that each DOMAIN NAME application for registration can be served predictably, in consistently and without delay due to misunderstanding.

2.3.2. The REGISTRANTS can register DOMAIN NAMES within all AVAILABLE ZONES, provided they observe the General Terms herein.

2.3.3. When a REGISTRANT registers a DOMAIN NAME within any AVAILABLE ZONE, the REGISTRANT shall **identify**

himself/herself.

2.3.4. When registering a DOMAIN NAME of in the top level zones: .bg, **grounds shall be required** for selecting a LABEL. The grounds are required to be available at the time of DOMAIN NAME registration. Ensuing changes in such conditions shall be reflected in the registration only in the cases provisioned in the General Terms.

2.3.5. **No grounds are required** when registering a DOMAIN NAME in the second level zones: .a.bg; .b.bg; .c.bg and so on.

2.3.6. The applications for DOMAIN NAME registration shall be served on “first come – first served” principle (i.e. *prior tempore, potior iure*).

2.3.7. Applications for registration of DOMAIN NAMES, that have already been in use, shall be placed on the wait-list of APPLICATIONS.

2.3.8. Each DOMAIN NAME is registered to one REGISTRANT.

2.3.9. The REGISTRANT bears complete legal responsibility for the actions of the entities in the DOMAIN registered by him/her as opposed toward other organizations connected to Internet.

2.3.10. The registration of a specific DOMAIN NAME does not grant any legal rights on the LABEL, forming an integral part of such name, and any issues related to that shall be considered in accordance with the normal legislative procedures (refer to RFC 1591).

3. TYPES OF REGISTRANTS

3.1. Any private persons or legal entities with legal or commercial registration in the Republic of Bulgaria or EU member state, or holders of a constituent act issued by a Bulgarian State Authority; entities, established by virtue of an agreement between Bulgaria and other countries; companies and organizations, registered abroad, having a registered branch or commercial representative office in the Republic of Bulgaria.

3.2. Efficient persons, Bulgarian citizens, foreigners with the right for permanent residence on the territory of the Republic of Bulgaria or citizens of EU member state.

10.2. The REGISTRY itself supports its own REGISTRAR.

10.3. The REGISTRAR may operate through the interface of the REGISTRY's REGISTRAR, or to use its own or virtual interface for such activity.

10.4. Each REGISTRAR using its own, or virtual, interface for their activity shall sign a contract with the REGISTRY, specifying contracting parties' rights and liabilities.

10.5. Each REGISTRAR using its own, or virtual, interface for their activity, shall receive a price for the services lower than the price specified by the REGISTRY in order to serve REGISTRANTS by its own REGISTRAR's interface. The price shall be the same for each such REGISTRAR.

10.6. REGISTRARS operating through REGISTRY's own interface shall not sign a special contract and get a lower price for the services than the price specified by REGISTRY for REGISTRAR's services to REGISTRANTS.

10.7. Each REGISTRAR shall specify himself/herself the registration and support price for domain names to REGISTRANTS.

10.8. REGISTRARS shall not sell the service "registration and support of a domain name" to REGISTRANTS at price lower than its cost.

10.9. The REGISTRAR shall not sell the service "registration and support of a domain name" to REGISTRANTS in a package price, because the service is unique and not related to other services.

10.10. Having concluded a contract between the REGISTRY and REGISTRAR / as provided for in it. [10.4.](#) and meeting the necessary requirements for implementation of functions concerning mediation in connection with DOMAIN NAMES registration, the REGISTRAR can commence processing of APPLICATIONS for registration and support of DOMAIN NAMES.

10.11. If a REGISTRAR terminates his/her activity as a REGISTRAR, all REGISTRANTS serviced by such REGISTRAR shall be transferred to REGISTRY's internal REGISTRAR without additional payment and until expiration of the support term for their DOMAIN NAMES in the REGISTRY.

10.12. The REGISTRANTS willing to change their REGISTRAR, can effect that change at any time after payment of registration and support of DOMAIN NAMES fees to the new REGISTRAR.

10.13. The changes, made by the REGISTRANTS according to it. [10.12.](#), shall be processed by the REGISTRY as APPLICATIONS for registration and support of new DOMAIN NAMES.

11. RECOMMENDATIONS

11.1. When the REGISTRANT changes his/her Internet provider or begins using the services of a new provider, the new provider cannot lodge an application for a change in the configuration of the DOMAIN NAME. The REGISTRY shall not undertake any actions prior to receiving an application from the administrative contact(s) or REGISTRANT's representative(s).

11.2. E-mail and/or IP connectivity routing normally shall be negotiated with an Internet services provider. In such cases, it is recommended that the Internet provider cooperates for filing the APPLICATION.

11.3. The second level domain names shall comply with Internet addresses rules as stipulated in RFC 819, RFC 821, RFC 822, RFC 920 and RFC 976, as well as with zone organization according to RFC 1034 and RFC 1035.

12. REGISTRY AND REGISTRARS DISCHARGE OF LIABILITY

The REGISTRY and REGISTRARS shall provide services for registration and support of DOMAIN NAMES on the Internet as non-interested persons acting at good will in help of REGISTRANTS and Internet services providers as follows:

12.1. The REGISTRANT shall be fully responsible before third parties for selecting the LABEL for registration of the DOMAIN

NAME.

12.2. The DOMAIN NAME REGISTRANT shall not hold liable the REGISTRY or servicing REGISTRAR, as well as their employees and officials, for any losses, damages, responsibilities, claims or expenses suffered as a result of claims from third parties related to the management or the right to use the requested DOMAIN NAME.

12.3. The REGISTRY or the servicing REGISTRAR, as well as their employees and officials shall not be held liable for any losses or damages suffered by the REGISTRANT or Internet service provider, due to action or inaction of the REGISTRY or servicing REGISTRAR, as well as their employees and agents, in providing services as REGISTRY or REGISTRAR, apart from servicing the specific REGISTRANT's APPLICATION.

12.4. The REGISTRY or REGISTRAR shall not be held liable for the accuracy of data filled in by the REGISTRANT, when the latter has applied for electronic update of the information entered in the REGISTRY concerning REGISTRANT's DOMAIN NAME.

12.5. The REGISTRY shall not be held liable for the action or inaction of REGISTRARS except for the internal REGISTRAR's interface.

12.6. The REGISTRY and REGISTRARS shall be held liable only for actions or inactions due to deliberate steps and negligence.
